Attn: Mr. Charles Davis

Dear Mr. Davis:

This letter will confirm the discussion which you and Dr. Robert A. Schlenker of the Argonne National Laboratory had recently relative to the exhumation of the remains of Mr. !

I would appreciate receiving from you at your earliest convenience an estimate of the cost of exhuming Mr. remains and shipping them by air to Argonne National Laboratory. According to Cook County, Illinois, regulations the ziegler case containing Mr. remains must be sealed prior to shipment to O'Hare Airport, Chicago. The ziegler case will be supplied by Argonne National Laboratory.

We have on hand permission forms for this exhumation from the following relatives of Mr. California (2nd cousin); of Rochester, N. Y. (both are nieces); of San Diego, Calif. (2nd cousin); and Mrs. of Danbury, Conn. (niece). Mrs. is deceased and we know of no living children. We believe the above to be the closest relatives of the late Mr.

The undertaker who will handle the arrangements on the Illinois end is

Mr. Victor Markiewicz

about a year, so it will be necessary to close the grave once the remains have been removed, and to reopen the grave when the remains are returned for reburial.

We hope that your charges and those of the cemetery can be kept to a minimum since, as you probably know, government research funds are rather limited these days.

Upon receipt of your estimate of the cost of this exhumation we will notify you of its acceptance. A member of our staff, Mr. Joseph E. Farnham, will be present at the time of the exhumation so we will want to arrange in advance a date which is convenient for you, for the cemetery, and for Mr. Farnham to carry out this work.

If either you or the cemetery needs further information, please call me collect at 602-949-5600 or write to me at the address below.

I would appreciate having your cost estimate sent to me at the following address: 5619 East Monterosa Street, Phoenix, Arizona 85018.

Sincerely yours,

(Miss) Mary Margaret Shanahan
